

The Ruddy Duck Club

A group of local businesses who support the Nature Center and programs of the Buena Vista Audubon Society

Why Join The Ruddy Duck Club?

- **You will be part of a special group of local businesses.** You will be joining the many members of the local business community who have already shown their support by becoming members of the Ruddy Duck Club.
- **Your customers will appreciate it.** Everyone who walks into your doors will note the framed Ruddy Duck Club certificate displayed in your establishment as evidence of your support for nature in our community.
- **It is good for business.** The 1,700 households who receive the Buena Vista Audubon newsletter each month, the 10,000 people who visit the Nature Center each year, and the many people who log on to the BVAS website, will be aware of your commitment to support the many nature education programs offered at Buena Vista Audubon. Nature lovers can be very appreciative.
- **It is good for the local economy.** All of your donated dollars will be working locally, and the impact of every dollar will be multiplied many times over by the hard work of the dedicated volunteers at BVAS.
- **It leads to personal growth and well-being.** You will feel good knowing that you have provided for the health of the natural world around us, and that your efforts will insure that these natural blessings will continue to be enjoyed by our children and grandchildren for years to come.
