RFP for Nature Center exterior painting

The Buena Vista Audubon Society (BVAS) maintains and manages a 2100-square foot nature center at 2202 South Coast Hwy in Oceanside, CA as an environmental education facility. We are seeking bids to paint the Nature Center building exterior. Interested inquiries can visit the building to view the building any time (the nature center is open generally Monday-Saturday 10:00 am to 1:00 pm, but the outside area is open sunrise to sunset daily). The deadline for bid proposals is January 31, 2024. Selection of a contractor will be made soon after that; work will begin immediately once the selection is made.

The proposal must include the following:
Examples of relevant prior work
Anticipated timeline and cost
Evidence of insurance policy (Commercial General Liability & Automobile Liability).

The successful respondent will have the following:
A competitive cost of services
Expertise in working on similar projects.
